

Nine2Three

Nine2Three, an employment service specialising in placing bookkeepers and administration staff, has also moved into the SSHED.

Founded by Shire-residents Kathryn and Ross MacMillan, the idea for their company came when a local businessman told them how hard it was to find high quality and experienced bookkeepers.

"I knew several excellent bookkeepers that wanted to work, but wanted to work family-friendly hours, hence the idea for our business and name, Nine2Three," said Kathryn.

Nine2Three offers a range of services from full bookkeeping through to the recruitment of clerical and account staff. Visit: www.nine2three.com.au
