

Balance. Control. Flexibility.

COMPANY PROFILE

Nine2Three Employment Solutions is a highly successful employment company specialising in the placement of mature aged people into the workforce, particularly in accounting and administrative positions.

At a time when many Australian businesses are struggling to find and keep staff, we have a great solution. At Nine2Three, we provide businesses with a fast and efficient way to access trained, experienced and reliable people to fill either temporary or permanent positions. We directly access a previously untapped source of high quality candidates with excellent workplace skills, management ability and maturity, wanting to work flexible hours.

Nine 2 Three offers the following services:

- Permanent part-time and full-time staff placement
- Temporary placement on a daily basis of clerical and accounting staff
- Recruitment services for businesses looking for permanent part-time or full-time staff, and
- Human Resource consulting, specialising in mature candidates, flexibility and team building.

MEMBER
